### **HEALTH DISTRICT TO RETURN TO REGULAR MONDAY THROUGH FRIDAY HOURS OF OPERATION**

The hours of operation for the Corpus Christi-Nueces County Public Health District will return to a Monday through Friday schedule effective Monday, February 8, 2010.

The Health District staff had altered their schedule to a Tuesday through Saturday work week to accommodate mass immunization H1N1 efforts in October, 2009.

All Health District services will continue at the 1702 Horne Road building except for Environmental and Consumer Health Services which has been re-located to the Animal Service and Vector Control facility located at 2626 Holly Road.

For further information call the Health District at 826-7200.
