Building Development Fees

The Building Development fees are assessed for plan review, inspections, certificates of occupancy, signs, and trade permits and renewals. The fees shown in the attachment are effective fees from October 1, 2024 to September 30, 2025. All fees will be reassessed in August 2025 for Fiscal Year 2026.

Building Plan Review and Permit Fees

Residential Construction- New, Remodels, and Additions

The plan review and permit fees for new construction is based upon the project's square footage. Under the new fee structure, customers will pay for their trade permit fees at the time the building permit is issued. These fees will be assessed to the trade permit. Electrical, mechanical, and plumbing subcontractors will still need to be added to the trade permits with the fees being collected prior to trade permit issuance.

All fees denoted with * are will be assessed a 4.5% surcharge
