

SUMMER 2024

For the 15th year, Reliant's **Beat the Heat** Program in partnership with Corpus Christi Parks & Recreation will provide a safe way for Corpus Christi residents to stay cool during the hottest days of summer.

ON-SITE SERVICE: Residents are invited inside the following four City Senior Centers to keep cool: Lindale Senior Center, Greenwood Senior Center, Oveal Williams Senior Center, and Ethel Eyerly Senior Center. Participants can enjoy **indoor activities, a variety of instructional classes, and snacks.**

CURBSIDE SERVICE: Reliant will also power the summer by providing fun at-home family activities using their **games packet, cooling devices and cool snacks** for residents to pick-up curbside at designated centers to help them keep cool in their homes, while they **Play It Safe.**

Cooling Center Schedule
