Featured Business

Apartment Locators in Support of Everhart Road Project

361 Apartment Locators is located at 4747 South Padre Island Drive, just near the corner of Everhart Road. Edith Garza owns the local business; she specializes in finding apartments based on the customer's qualifications.

Garza said the Everhart Road Project will benefit the community by better access to businesses. Currently, she feels it's challenging to access businesses, and even though 361 Apartment Locators is at the end of Everhart Road, she believes widening the road and adding a turn a lane will help her company out tremendously.
